Executive Profile

Creative Director, Commercial Video Producer & Multi-Platform Growth Strategist with deep expertise in **Scriptwriting, Storytelling, Sound Design, and High-Retention Video Editing**. Proven track record of producing high-converting commercial advertisements (**TVC, UGC, and Digital Video Ads**), crafting viral 3-second storytelling hooks, and directing multi-platform audience growth. On-camera host of **JunoverseAI** on YouTube. Combines fundamental camera operating mastery across any hardware ecosystem with broadcast post-production (**DaVinci Resolve, Adobe Creative Suite**), immersive sound design, and practical business automation systems to scale reach and drive measurable revenue.

Creative, Production & Storytelling Arsenal

Scriptwriting, Storytelling & Narrative Reframing: TVC and UGC commercial ad scripting, documentary narrative development, 3-second hook craft, storyline pacing, emotional tension-and-release arcs, and persuasive consumer psychology. **High-Retention Video Editing & Sound Design:** Rhythm-driven NLE editing (Adobe Premiere Pro), immersive sound design (foley, impact sound layering, broadcast audio mixing to EBU R128 in DaVinci Fairlight), motion graphics (After Effects), and high-CTR thumbnail composite art (Photoshop). **Color Grading & Visual Aesthetics:** Advanced node-based color grading, custom LUT design, skin tone correction, and visual style matching in DaVinci Resolve. **Universal Camera & Studio Operations:** Comprehensive fundamental knowledge of camera optics, sensor dynamics, lighting geometry (3-point studio, practical ambient), gimbal stabilization, and studio camera-software tethering. **Multi-Platform Social Growth & Automation:** Multi-account social media distribution (Facebook, Instagram, TikTok, LinkedIn, YouTube), automated engagement workflows, and practical business AI implementations that eliminate operational bottlenecks.
