Executive Profile

Creative Director, Commercial Video Producer & Multi-Platform Growth Strategist who operates as a complete, high-ROI creative and automation department for businesses. Proven track record of directing high-impact commercial video campaigns, crafting viral 3-second storytelling hooks, and engineering **multi-device social automation and distribution systems** across Facebook, Instagram, TikTok, YouTube, and LinkedIn. On-camera host of **JunoverseAI** on YouTube. Combines professional cinematography (**Canon 5D Mark III + 70-200mm f/2.8L IS II**) and broadcast post-production (**DaVinci Resolve, Adobe Creative Suite**) with secure, practical business AI implementations to scale organic reach, automate customer acquisition, and multiply business revenue.

Creative, Media & Multi-Platform Growth Arsenal

Cinematography, Photography & Studio Mastery: Canon EOS 5D Mark III, Canon EF 70-200mm f/2.8L IS II USM, Canon 700D, commercial video advertisement production, product staging, multi-point studio lighting, optical depth separation, and wildlife/portrait photography. **Viral Scriptwriting, Storytelling & Hook Psychology:** 3-second hook design, viewer dopamine curve optimization, documentary-style research, persuasive commercial ad copywriting, and emotional narrative framing that converts attention into revenue. **Post-Production Suite:** DaVinci Resolve (node-based color grading, custom LUT design, Fairlight audio mastering to broadcast standards), Adobe Premiere Pro (high-speed dynamic NLE editing), Adobe After Effects (motion graphics, kinetic VFX), Adobe Photoshop (high-CTR composite art). **Multi-Device Matrix & Social Growth Automation:** Building multi-account distribution workflows across Facebook, Instagram, TikTok, LinkedIn, and YouTube; automated comment routing, direct message lead capture, narrative amplification, and viral distribution scaling. **Secure Business AI & Workflow Integration:** Custom AI workflow deployments, offline and local AI integrations for enterprise privacy, automated customer onboarding pipelines, and operational streamlining that replaces repetitive manual labor.

Media, Content Creation & Directing Experience

JunoverseAI Media Studio

Dhaka, Bangladesh

Lead Creative Director, On-Camera Host & Executive Producer

2024 – Present

- On-Camera Tech Host & Storyteller:** Hosted, scripted, and directed technical video essays and emerging technology breakdowns in fluent English, commanding high retention and organic viewer loyalty.
- Commercial Ad Direction & Hook Craft:** Conceptualized and directed high-converting video campaigns utilizing 3-second visual hooks, rapid pacing, and psychological narrative arcs.
- Broadcast Post-Production Ownership:** Managed full editing, sound design, audio normalization, and motion graphics workflows using DaVinci Resolve and Adobe Creative Suite.
- High-CTR Packaging:** Engineered high-converting composite thumbnails and promotional graphics in Photoshop, achieving consistently above-average organic click-through rates.

Independent Operations / Amazon KDP

Dhaka, Bangladesh

Commercial Cinematographer & Digital Specialist

2021 – 2023

- Produced commercial advertisement and wildlife photography portfolios using Canon telephoto systems, mastering lighting geometry, depth-of-field separation, and visual aesthetics.
- Scaled digital content publishing workflows, metadata optimization, and publication asset pipelines in the Amazon Kindle Direct Publishing (KDP) ecosystem.

Business Growth Automation & Creative Ventures

JunoverseAI & AutometaBot Platforms

Dhaka, Bangladesh

Creative Technologist & Business Growth Partner

2023 – Present

[leftmargin=1.2em, itemsep=2pt]

- **Multi-Platform Social Automation (AutometaBot):** Architected automated multi-channel messaging and comment management systems across Facebook, Instagram, WhatsApp, and Telegram for 24/7 lead conversion.
- **Multi-Device Growth Infrastructures:** Engineered multi-account distribution pipelines to test campaign angles, amplify brand narratives, and scale audience reach across multiple platforms simultaneously.
- **Secure Business AI Implementation:** Deployed practical, secure AI workflows and offline automation setups for businesses, replacing repetitive manual tasks and accelerating operational execution.
- **Creator Productivity Platform (MicTab.com):** Designed the visual UI/UX and voice dictation workflow for MicTab, empowering creators to produce content faster.
